The Women Who Hung Around Jesus.

How did Jesus view women? How did He treat women? How did they respond to Him? When we read the scriptures little emphasis, if any, is put on the role of women with Jesus. Nevertheless, we see Jesus aware of the social and religious handicaps with which women had to struggle and He lifted those burdens. Jesus also invited women to minister with him—he needed women, just as our Church needs women today. We will look at some of these women in the scriptures who “hung around Jesus” and reflect on **how** their presence at that time and **how** our presence now brings Christ to our world.
